

ENSURING EVENT SAFETY: COVID Compliance Options

TIER 1 Simple Health Screening Survey | Web Browser

A fully customizable health screening form with trackable submission reports. Attendees simply answer custom questions to confirm that they meet your compliance requirements.

PROS

- ✓ Very easy for attendees
- ✓ No need for uploads in advance
- ✓ No actual testing or vaccination records required
- ✓ Supports up to 10,000 users

CONS

- ✗ Dependent on an honor system
- ✗ Attendees may wait until arrival to complete, which can delay check-in, schedule, and so on
- ✗ No actual health records are submitted or reviewed

*PRICING:

Up to 100 people per day: ~\$2,000
101-400 people per day: ~\$5,000

TIER 2 Full COVID Testing & Vaccine Tracking | Web or App

Fully customizable platform app with health screening form, compliance rules, pre-event test/vaccine result uploads, trackable submission reports, and easy to read green approved screen.

PROS

- ✓ Fast check in
- ✓ Not event specific, can be used for many events.
- ✓ Supports up to 10,000 users

CONS

- ✗ Requires advanced uploads / completion by attendees
- ✗ Data needs to be uploaded in advance for verification
- ✗ No on-site health record verification

*PRICING:

Up to 100 people: \$5,000
101-500 people: \$8,000

TIER 3 Full Testing | On-Site

Full on-site testing including 15-minute rapid testing, results, and medical staff for administration. Requires higher level of on-site staff and adequate space for testing and waiting areas.

PROS

- ✓ Very safe solution
- ✓ No need for uploads in advance
- ✓ Can be used to compliment the Tier 2 solution

CONS

- ✗ Can slow submission
- ✗ Need sufficient space to accomodate waiting areas for tests and results

*PRICING:

Up to 100 people: \$11,000
Up to 400 people per day: \$37,000
